## **Dark Child (Bloodsworn): Episode 2 Adina West**

**It's open war between the Families of Power and the Tabérin. Two ancient races, witch and vampire, are locked in a deadly battle, and Kat Chanter, descendant of both warring bloodlines, is the only hope for peace ...**

Kat and her grandmother had a deal. A deal that Imara has definitively broken. Frustrated by Imara's security team watching every move she makes, Kat escapes the compound, and finds Alek waiting for her outside.

But their reunion goes anything but smoothly. Though passion flares between them, anger follows as swiftly and burns as brightly. As Kat's powers of witchcraft grow, she knows it's vital she keeps her emotions restrained, but if there's one thing Alek excels at, it's making her lose control.

Meanwhile, Ben and his newfound Tabérin family find sanctuary with a coven sympathetic to their plight, under the protection of Samuel, the European coven leader. Samuel's hidden valley settlement seems the perfect place to recuperate and lay low. But not everyone here is a friend ...

An urban fantasy full of vampires, werewolves and shapeshifters, which is perfect for fans of Cassandra Clare's Mortal Instruments and Julie Kagawa's Blood of Eden series.
