## **The Children Of The Mist (NightShifters Book 1) Jenny Brigalow**

An original paranormal YA about an unconventional girl, an unconventional boy, their extraordinary transformations, and the secrets of the Scottish Highlands.

When skater girl Morven Smith turns sixteen, she develops boobs, acute appendicitis...and a pair of pointy teeth. While she is stunned by her metamorphosis into vampire, her best mate, the enigmatic Zest, is not. For the young werewolf, Morven's transformation is an answer to his lonely prayers.

But they are unable to celebrate their mutual paranormalcy for long — there are too many dangers, too much suspicion, and too many questions. It's only in Scotland that Morven can learn the truth about her past. But she discovers more than she bargained for when she meets her birth family — an ancient feud between vampires and werewolves. They may both be Children of the Mist, but only one species can survive.
