Fifteen-year-old Samuel has just moved with his parents to Yellowstones Geyser Inn. He has no friends, his on-line classes are too easy, and the TV has only one channel. Life basically stinks until one snowbound day when he decides to explore the attic. Here he spies a mysterious brooch and two ravens named Rag and Thokk who have laid claim to it. This ring pin with runic engraving allows the three to talk to each other and is their portal to the ancient Norse world.
