Transference: Shibboleth or Albatross?

Joseph Schachter

Transference: Shibboleth or Albatross? Joseph Schachter

The theory of transference and the centrality of transference interpretation have been hallmarks of psychoanalysis since its inception. But the time has come to subject traditional theory and practice to careful, critical scrutiny in the light of contemporary science. So holds Joseph Schachter, whose *Transference: Shibboleth or Albatross?* undertakes this timely and thought-provoking task.

After identifying the weaknesses and inconsistencies in Freud's original premises about transference, Schachter demonstrates how contemporary developmental research across a variety of domains effectively overturns any theory that posits a linear deterministic relationship between early childhood and adult psychic functioning, including the adult patient's treatment behavior toward the analyst. No less trenchantly, he shows how contemporary chaos theory complements developmental research by making the very endeavor of historical reconstruction - of backward prediction - suspect on logical grounds. Nor, Schachter continues, does the clinical evidence normally adduced in support of transference theory provide the firm bedrock of data that most analysts suppose to exist. What one finds, he holds, are endlessly reiterated claims of identifying determining historical antecedents sustained only by descriptions of current behaviors through a gloss of theory.

Less a polemic than a call to order, *Transference: Shibboleth or Albatross?* is cogently argued and straightforwardly written. It is destined to be a thorn in the side of analysts who resist change and a spur to those who seek to bring analytic theory into closer alignment with contemporary science in the interest of improves treatment efficacy.

From reader reviews:

Alicia Hendrickson:

What do you consider book? It is just for students since they're still students or that for all people in the world, what best subject for that? Only you can be answered for that issue above. Every person has diverse personality and hobby per other. Don't to be compelled someone or something that they don't would like do that. You must know how great along with important the book Transference: Shibboleth or Albatross?. All type of book is it possible to see on many sources. You can look for the internet resources or other social media.

Jewell Brundage:

Spent a free time for you to be fun activity to complete! A lot of people spent their sparetime with their family, or their very own friends. Usually they doing activity like watching television, going to beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your free time/ holiday? Could possibly be reading a book could be option to fill your no cost time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to try out look for book, may be the publication untitled Transference: Shibboleth or Albatross? can be good book to read. May be it may be best activity to you.

Hoa Gilkey:

Why? Because this Transference: Shibboleth or Albatross? is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will zap you with the secret it inside. Reading this book beside it was fantastic author who else write the book in such amazing way makes the content inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of advantages than the other book have got such as help improving your expertise and your critical thinking means. So , still want to postpone having that book? If I ended up you I will go to the e-book store hurriedly.

Elbert Lupton:

Are you kind of occupied person, only have 10 or even 15 minute in your day time to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book compared to can satisfy your limited time to read it because this time you only find guide that need more time to be go through. Transference: Shibboleth or Albatross? can be your answer because it can be read by anyone who have those short time problems.
