MISFITS PART 2 Stuart Clarke has found himself in the unlikely and unenviable position of becoming The Punisher's weapons-master, sidekick, and partner. He was once known as Rampage when he combated the Los Angeles super team The Champions. He was once a weapons designer for Sunset Bain when he designed the War Machine armor. And he ended up a prisoner on The Raft, the one that escaped during The Breakout. The two constants in his completely insane life have been his absolute brilliance, and his utter hatred of Tony Stark. And now, in his way, he too is a victim of Frank Castle.
