The Remedy: A Novel

Michelle Lovric

The Remedy: A Novel Michelle Lovric

In this darkly beautiful and hauntingly vivid novel, Michelle Lovric, acclaimed author of *The Floating Book*, embarks on an unforgettable journey through the winding alleys and shadowy streets of eighteenth-century Venice and London. With vibrant prose, she weaves together the stories of three disparate yet intertwined characters who find themselves embroiled in a world of murder and secrets. There is Mimosina Dolcezza, the Venetian actress employed as an *agente provocatrice* by surreptitious European power brokers. By fortune and circumstance, she begins an affair with the elusive Valentine Greatrakes, a roguish fixture within London's medical underworld. Complicating matters for the pair is the presence of the eccentric and strange child-woman Pevenche, a figure whose fate and identity lie at the heart of the book's mystery.

Following this shadowy group from the dark environs of London's Bankside to the lively streets of Venice, *The Remedy* guides us through playhouses, brothels, and convents with luscious details that breathe intoxicating life into the era. Long-listed for the prestigious Orange Prize for Fiction, *The Remedy* is a seductive and suspenseful tale that stays with you long after you've turned the final page.
