Captains Courageous (Signet Classics)

Rudyard Kipling, Marilyn Sides

Captains Courageous (Signet Classics) Rudyard Kipling, Marilyn Sides

The only one of Kipling's novels to be cast in an American setting, **Captains Courageous** endures as one of literature's most cherished and memorable sea adventures. Harvey Cheyne, spoiled millionaire's son, tumbles overboard from a luxury liner--only to be rescued by the crew of a Gloucester schooner. Thus begins the boy's second voyage into the rugged rites and ways of sailors. Like all Kipling's masterworks, **Captains Courageous** is an interweaving of art and moral purpose. Angus Wilson has said that it shows "delicacy of craft and violence of feeling, exactitude and wile impressionism, subtlety and true innocence." A popular favorite since its first publication in 1897, the novel remains a classic story of youthful initiation--and a lively tribute to the author's famous code of bravery, loyalty, and honor among men.
