Cómo afrontar el divorcio: Guía para padres y educadores (Educación emocional) (Spanish Edition)

María Sureda Camps

Este libro tiene el objetivo de ayudar a los padres que afrontan un problema tan grave como el del divorcio, así como a amigos y personas cercanas, deseosos de ofrecer su ayuda a quienes viven ese difícil proceso. También intenta ser de utilidad para profesores, educadores, mediadores familiares y demás profesionales que puedan asistir a un proceso de divorcio y que quieran ayudar a la propia pareja o a sus hijos a superar el difícil momento que están sufriendo, ya que la forma en que la pareja afronte y resuelva la separación comprometerá el futuro bienestar emocional de sus hijos y el suyo propio.
