Jamie Chadwick is straight. Determinedly straight. Or so he keeps telling himself. His small conference business is doing okay and, even though he looks after his ailing father, he loves living in the countryside and life is good. Sort of. But the arrival of old college friend, David Fenchurch, who's just come out on the distinctly camp side of camp, together with Lucy Reid, his father's sexy new physiotherapist, sets Jamie on a path he'd never dreamed of taking.

On top of all that, the unexpected return of long-lost family friend, Robert Trevelyan, himself openly gay, means that Jamie can no longer ignore the past he's kept hidden for six years. When Robert and David get together, Jamie's feelings begin to surface in surprising ways. Who, amongst the crowd of people set to blow his life apart, will make it onto his fantasy hit list? And in the midst of Jamie's own emotional battlefield, how can he keep things together at all?
