Love Him Madly: An Intimate Memoir of Jim Morrison

Judy Huddleston

Love Him Madly: An Intimate Memoir of Jim Morrison Judy Huddleston

It was 1967. Judy Huddleston's parents had just gotten divorced, and she spent her last year of high school attending Doors concerts. Transformed from a perceptive child into a rebellious teenager bent on attracting boys and fueled by psychedelics, she had lost her sense of self.

Then Jim Morrison came into her life.

Love Him Madly chronicles Judy's four-year relationship with the singer. Honest and funny, written in the idealistic but jaded voice of a teenager, this intensely intimate memoir is a cautionary tale about sex, codependence, and misplaced spirituality. It also provides a direct and unprecedented view of a late-1960s Los Angeles subculture, an emotional portrayal of a sexual relationship with a man whose demons haunted everyone he knew, and a vivid portrait of Jim Morrison as a complex human being. A balanced portrait of an unbalanced relationship, *Love Him Madly* is an intense, moving, and poetic journey through one teenage girl's unforgettable fall from innocence.
