## **Off Camera** Ted Koppel

Ted Koppel, anchor of *Nightline*, is one of America's most intelligent and respected journalists. With this fascinating book, he finally lets us know the man behind the face we've trusted late at night for almost twenty years.

**Off Camera** is a daily journal of the year that brought the twentieth century to a close--the year of Monica and Y2K, of shootings at Columbine, of the death of JFK, Jr. With riveting insight and lucid prose, Koppel chronicles his thoughts on these events and more, from interactive TV to the war in Kosovo to the dumbing down of network news. Witty, provocative, and wise, this book is indispensable.
