## **SAGE Handbook of Play and Learning in Early Childhood (Sage Handbooks)**

'This *Handbook* offers diverse perspectives from scholars across the globe who help us see play in new ways. At the same time the basic nature of play gives a context for us to learn new theoretical frameworks and methods. A real gem!'

*- Beth Graue, Department of Curriculum and Instruction, Wisconsin Center for Education Research, USA*

Play and learning scholarship has developed considerably over the last decade, as has the recognition of its importance to children's learning and development.

Containing chapters from highly respected researchers, whose work has been critical to building knowledge and expertise in the field, this *Handbook* focuses on examining historical, current and future research issues in play and learning scholarship.

Organized into three sections which consider:

- theoretical and philosophical perspectives on play and learning
- play in pedagogy, curriculum and assessment
- play contexts.

The *Handbook*'s breadth, clarity and rigor will make it essential reading for researchers and postgraduate students, as well as professionals with interest in this dynamic and changing field.

**Liz Brooker** is Reader in Early Childhood in the Faculty of Children and Learning at the Institute of Education, University of London.

**Mindy Blaise** is an Associate Professor of Early Childhood Education in the Department of Early Childhood Education at the Hong Kong Institute of Education.
