## **Empire of Fear: Inside the Islamic State** Andrew Hosken

Tourists killed in Tunisia; Jihadi John targeted by drone strikes; carnage in Paris; and hundreds of thousands of Syrians risking everything to reach Europe in an attempt to escape the violence. Islamic State's reign of terror continues.

Back in June 2014 Islamic State had launched an astonishing blitzkrieg which saw them seize control of an area in the Middle East the size of Britain. The news was soon filled with their relentless acts of savagery, yet nobody seemed to know who they were or where they'd come from. In this updated edition of his acclaimed book, BBC reporter Andrew Hosken delivers the inside story on Islamic State from their origins to the present day. Through extensive first-hand reporting, Hosken builds a comprehensive picture of IS, their brutal ideology and exterminationist methods. The result is equally compelling and horrifying.
