Jule Casale is the perfect daughter. Obedient. Trustworthy. Loyal. With her high profile Italian family, her public image must be impeccable. And now to gain the respect and position she's desired in the academic world, she hopes to discover the unknown artist behind a masterpiece of Renaissance art.

Rom Montgomery seeks the unobtainable: forgiveness. Those who could grant him relief are dead. Instead, he wanders across continents and through time searching for salvation and the means to right an ancient wrong. But when Jule comes knocking on his door, it's the closest he's ever come to finally finding redemption.

The closer Rom draws to correcting his past mistakes, the more his secrets threaten to destroy the woman who might hold the key to his future.
