Liberales plebeyos: el relato de un pipiolo del siglo XXI (Spanish Edition) Vlado Mirosevic

En un lenguaje directo y fácil de leer, el diputado Vlado Mirosevic cuenta cómo ha sido debutar en la Cámara de Diputados, detallando las principales discusiones y reformas que le tocó presenciar en su primer año como legislador.

Bajo un relato que mezcla vivencias en primera persona y definiciones doctrinarias, Mirosevic dibuja la posición liberal igualitaria mientras recorre la discusión sobre la transparencia del financiamiento a la política, la regulación del lobby, la eutanasia, la despenalización de las drogas, la reforma educacional, el cambio al sistema binominal, la reforma tributaria y el debate sobre una nueva Constitución.

El texto también explica la fundación del Partido Liberal de Chile, calificándolo de «un emprendimiento improbable» que empuja una generación sub35 y detalla la aventura por obtener representación parlamentaria.

A su vez, el autor, se empeña en profundizar las diferencias doctrinarias que distinguen al liberalismo igualitario del neoliberalismo y del mundo conservador. Comenzando desde los primeros humanistas y laicos del Renacimiento, transitando por los pipiolo del siglo XIX en Chile y desembocando en la actual tensión de dos tradiciones –una liberal y una conservadora– que han marcado los 200 años del Chile republicano.
