Oklahoma! Hex finds Mex on Broadway solving the real-life murder of “pore” Jud in a production of *Oklahoma!*. Called in to investigate by an old flame and the producer of the show, Mex works alongside her favorite Blue, cop Michael Ryan Kelley, to uncover the murderer. When she discovers that the cast of the latest hit revival of *Oklahoma!* is infiltrated with Santería practitioners, she ends up in Tierra del Fuego, the southern-most inhabited point in the world, as she faces down the leader of a worldwide web of evil. Along the way, she meets her Divine Right Partner, Veronica, and falls in love.

Based in New York City, Mexicali Rose (“You can call me Mex”) Stone is above all a human being having a spiritual experience. She’s an intuitive investigator who solves her cases from the inside out. Guided by Spirit, her inner voice, she catches her culprit, and always learns something about herself. U.S. passport and lipstick in her purse, Mex’s cases lead her in all directions and most especially within where she finds the deepest truths about life, herself and the universe.
