Quilito (Spanish Edition)

Carlos María Ocantos

Quilito (Spanish Edition) Carlos María Ocantos

Pampa se había quedado dormida, acurrucada en el umbral. Envuelta su monstruosa cabeza en el refajo de bayeta amarilla, que había levantado por detrás al sentarse; un pie montado sobre el otro, como para prestarse mutuo calor, calzados ambos en gruesos zapatos claveteados; las manos debajo del delantal blanco, dormía sobre la dura piedra, como sobre un cómodo colchón de muelles. ¡Pobre Pampa! Cansada del fregoteo de platos, del bruñido de cuchillos y del lavado de vasos, de traer y llevar, de bajar y subir, de salir y de entrar, había obtenido la promesa de acompañar a la señora a una visita de intimidad aquel día, lo que le serviría de pretexto, para ver las calles y quizá la plaza de la Victoria; pues con ser 25 de Mayo, fiesta patria, había Tedéum, rifa, parada militar y qué sé yo. Soñaba la india en las lindas cosas que vería: tanta bandera; tanta gente endomingada; los niños, con traje de terciopelo, muy orondos, agarrotados los dedos por los guantes; las niñas, de blanco, unas con banda azul y otras no; las personas que se agolpaban a las ventanas del Cabildo, donde el transeunte es asaltado por una, dos o tres señoritas, que le meten por las narices, como si dieran a oler una pastilla, la cedula de la rifa, y le marean y le cercan, y le siguen y le persiguen, repitiendo: —¡Caballero! ¿una cedula? ¿una cedula, caballero?—como muletilla de mendigo. Detrás de la reja, majestuosa y cómodamente sentadas, dos matronas, tan gordas, que casi no caben las dos de frente, con las costas repletas de papelillos en la falda, despachan su mercancía, echando de vez en cuando por aquella boca un ¡Caballero! que más parece un bostezo, que un llamado. Luego, los vendedores de naranjas, de silbatos y de globos; la corriente humana que no cesa de circular, engrosada por los torrentes que cada bocacalle vomita sobre la plaza; los soldados, tan marciales, en fila, los ojos sobre el jefe, que recorre la línea a caballo, dejando ondear al viento su penacho azul y blanco; las músicas, que tocan; el cañón, que truenas; los cohetes, que estallan; las campanas, que vibran, y por último, el Presidente, que pasa, a pie, camino de la Catedral, en medio de los acordes graves y solemnes del himno nacional, precedido, rodeado y seguido de brillante cortejo. Pampa hacía sonar, con fruición, en el bolsillo de su vestido de lana nuevo, los centavos que le diera el patrón para la rifa, cuando alguien la llamó. —¡Pampa! que tienes que lavar las medias del niño, y traer azúcar del almacén y limpiar el espejo de la sala, que está perdido de moscas
