Sniper Anthology: Snipers of the Second World War

Martin Pegler

Sniper Anthology: Snipers of the Second World War Martin Pegler

For the first time, leading Second World War authors from around the world have collaborated on a definitive anthology of the greatest snipers of the war.

Each author supplies full details of their chosen sniper, including illustrations that have never been published before, to construct a complete and varied picture of sniper warfare. The biographies of these exceptional soldiers include remarkable firsthand accounts of wartime service that provide a graphic insight into a sniper's lethal skill and vividly illustrate the backdrop of the war.

These gripping narratives will be fascinating reading for anyone who is keen to learn about the role and technique of the sniper during WWII and go beyond the cursory treatment in existing histories.

The contributors include Charles Henderson writing on the myth of Major Koenig, Mark Spicer on Harry Furness, Martin Pegler on Vassili Zaitsev, Charles Strasser on Pavlichenko, Adrian Gilbert on Sepp Allerberger, Leroy Thompson on Captain C Shore, Dan Mills on Private Delvin and Roger Moorhouse on Simo Haya. Nigel Jones will also contribute.
