South Carolina (Thirteen Colonies)

Craig A. Doherty, Katherine M. Doherty

South Carolina (Thirteen Colonies) Craig A. Doherty, Katherine M. Doherty

In an engaging narrative style, South Carolina thoroughly examines life in the early colony, including such details as the Yamasee War, pirate attacks, slavery, and the effect of such crops as indigo and rice. An entire chapter focuses on the numerous American Indian tribes - mainly the Cherokee and Catawba - who lived throughout the colony, from the coast and lowlands up into the Appalachian Mountains. Attention is also given to post-Revolution struggles such as the challenge of rebuilding South Carolina and deciding what to do about the remaining Loyalists.
