Lucienne Diver

Crazy in the Blood (Latter-Day Olympians) Lucienne Diver

Hell on Earth. It's not just an expression anymore.

Latter-Day Olympians, Book 2

It's an ill wind that carries bad news, and Tori's just had a double load of it blow through her door.

Just a few weeks after she prevented some rogue gods from blowing L.A. into the ocean, more dead bodies are turning up near the leftover crater. Bodies that have been shredded by something too big to be...shall we say, of this world? Worse, Uncle Christos has disappeared after stumbling onto a deadly cult masquerading as the Back to Earth movement.

The connection: Dionysus. Yes, *that* Dionysus. He's resurrected his bloody fertility rite, complete with frenzied female groupies who tear men limb from limb. And he's lured Demeter, goddess of the harvest, over to his side by finding a way to get her daughter away from Hades for good.

Predictably, Hades isn't about to let her go without a fight. Unless Tori finds a way to bring her back, he'll abandon the gates of Tartarus. At which time all hell will, literally, break loose.

Between saving the world, the woman, the cultists and her crazy uncle, Tori's giving up on getting to the beach before all the good spots are taken.

Warning: The wine country is going through a heat wave of epic proportions, and it's not all about the weather. Beware steamy gods with seduction on their minds or brimstone in their blood.
