You never know when God will show up

At some point we all feel abandoned--by a friend, spouse, family member, or even God. We search to discover meaning for our lives. Often religion tries to confine the answers we seek to church buildings and candy-coated sermons, but in life's darkest moments hope is sometimes illuminated through the most unlikely people at the most unforeseen times. In *Midnight in Aisle Seven* Jay Lowder presents encouraging, raw, genuine stories of real people, including himself, to demonstrate how anyone, anywhere, can experience an encounter that brings significance to life.
