**From Book 1:**

Joshua Jordan, former U.S. spy-plane hero now turned weapons designer has come up with a devastatingly effective new missile defense system – the Return to Sender laser weapon. But global forces are mounting against America, and corrupt White House and Capitol Hill leaders are willing to do anything to stop the nation’s impending economic catastrophe – including selling-out Joshua and his weapon. As world events begin setting the stage for the “end of days,” Joshua is forced to consider not only the truth of the biblical prophecies preached by the pastor of his brilliant attorney- wife, but also what gut-wrenching price he is willing to pay to save the nation he loves.
