Exocet Falklands: The Untold Story of Special Forces Operations Ewen Southby-Tailyour

This is a revelatory account of three un-tabulated special forces operations, PLUM DUFF, MIKADO and KETTLEDROM, that were tasked to destroy Argentina's Exocet missiles during the 1982 Falkland's campaign. In that context alone this book is of international military importance. ?Using previously unknown material and through interviewing key players who have remained silent for 30 years, Ewen Southby-Tailyour has finally established the truth: that it has taken so long reflects the sensitivities, both military and personal, involved. ?Interviews with the SAS officer commanding Operation PLUM DUFF, members of the reconnaissance patrol for Operation MIKADO, plus the navigator of the helicopter that flew eight troopers into Tierra del Fuego, has allowed the author to describe the tortuous events that led, instead, to a significant survival story. ?The RAF pilots ordered to conduct an 'assault-landing' of two Hercules onto Rio Grande air base during Operation MIKADO have spoken of the extraordinary procedures they developed: so have the commander of the SBS and the captain of the British submarine involved in Operation KETTLEDROM. ?The Super Étendard pilots who sank HMS Sheffield and MV Atlantic Conveyor and then 'attacked' HMS Invincible, plus a key member of the Argentine special forces and the brigadier defending Rio Grande, add credence, depth and gravitas to the saga: as does an equally revealing interview with the SIS (MI6) officer who led the world-wide search for Exocets on the black market. ?Disturbing over-confidence by commanders at home was finely counter-balanced by stirring accounts of inspiring physical and moral courage across the South Atlantic. ?Exocet Falklands is a ground-breaking work of investigative military history from which many salutary lessons can be learned.??As featured in the Daily Record, Western Morning News, Plymouth Herald and on BBC Radio Wiltshire.
