The uniquely packaged Hot Buttons Series is an accessible, quick-reference resource that parents can use to equip their children to make the right decisions, even in the face of peer pressure and outside influences. More than just another how-to manual, Hot Button Dating edition offers practical real-life situations that parents can read and discuss with their preteens. Author, mom, and broadcaster, Nicole O'Dell provides short scenarios followed by three or four responses that a teen might choose in that particular situation. Parents are then encouraged to help their children explore the issue, ask questions, and discuss the options, so when a similar situation comes up in real life, the teens are already prepared to respond.
