Indie Rock 101 is a clear, concise, all-in-one primer for beginning to mid-level musicians looking for the essential fundamentals behind running, recording and promoting their band. It's all the basics that can take years to collate from more specialized or technical books, magazines and websites-and it's written by a real independent musician.

\* Part I, Running Your Band covers the topics most relevant to forming and running the band: the people, practice and songwriting

\* Part II, Recording covers pre-production considerations, gear and how-to basics, and timeless fundamentals and techniques around recording, mixing and mastering

\* Part III, Promoting covers what you need to know to establish and grow your fan base, including graphic design, your press kit and website, sharing and selling your music, playing out and making a video

Whether you're just starting out or looking for a 360-degree primer to help take your music to the next level, Indie Rock 101 is the one book that covers it all.
