## Super Stock Rookie (Motor Novels) Will Weaver

After a couple of seasons of small-town racing, things are shifting into high gear for a young dirt-track driver with the skills to make it big. Trace Bonham has landed a corporate sponsor and a custom-built dream ride. But this means Trace can no longer pilot his dad's Street Stock Chevy, and must let a new kid get behind the wheel. It also means having to turn his back on his hometown speedway, which his team leaders think is a hayseed operation not worth their time, even though it's run by a girl who matters to Trace in a big way.

Filled with authentic race-car action and detail, Will Weaver's fast-paced novel is the story of a boy struggling with the speed and demands of his own success.
