Logan McAllister survived years of indentured servitude in America to reach this moment. Now he's returned to Scotland, ready to redeem the secret promise from Sheena Montgomery's father—that five years as a servant would earn him Sheena's hand in marriage. But when he arrives home, he learns that Sheena's father has died, his contract has been lost...and Sheena is engaged to another man.

Sheena has spent the past five years trying to forget Logan, the man who abandoned her with no explanation. She won't listen to his protests that he loves her—has always loved her. It'll take more than empty promises to win her back...and to prove that his highland heart is hers forever.
