John Sloan: Drawing on Illustration

Michael Lobel

John Sloan: Drawing on Illustration Michael Lobel

The American realist artist John Sloan (1871–1951) is best known for his portrayals of daily life in early 20th-century New York and as a member of The Eight and the Ashcan School, alongside peers like Robert Henri, Everett Shinn, and George Luks. Sloan's artistic approach was shaped by his experience as a commercial illustrator, a type of work that inaugurated his professional career—at newspapers like the *Philadelphia Press* and later for mass-market magazines—and which he pursued even after he turned his focus to painting. In *John Sloan: Drawing on Illustration*, Michael Lobel explores the impact of Sloan's illustrating on his wider output, including his paintings, his drawings for the radical journal *The Masses*, and his response to the watershed 1913 Armory Show. Illuminating the interaction between art and popular culture, this book provides an important new framework for understanding the modern genre of illustration, and in so doing touches on major 20th-century currents, including the rise and expansion of the mass media and the visual legacy of European modernism.

From reader reviews:

Raymond Llamas:

The reason why? Because this John Sloan: Drawing on Illustration is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret the item inside. Reading this book close to it was fantastic author who also write the book in such remarkable way makes the content on the inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking technique. So , still want to hold off having that book? If I ended up you I will go to the book store hurriedly.

Felix Talarico:

Your reading sixth sense will not betray a person, why because this John Sloan: Drawing on Illustration reserve written by well-known writer we are excited for well how to make book that may be understand by anyone who also read the book. Written in good manner for you, still dripping wet every ideas and writing skill only for eliminate your hunger then you still doubt John Sloan: Drawing on Illustration as good book not just by the cover but also through the content. This is one reserve that can break don't ascertain book by its protect, so do you still needing an additional sixth sense to pick that!? Oh come on your reading through sixth sense already alerted you so why you have to listening to another sixth sense.

Clorinda Combs:

Reading a book to be new life style in this year; every people loves to examine a book. When you study a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your review, you can read education books, but if you want to entertain yourself you can read a fiction books, these us novel, comics, along with soon. The John Sloan: Drawing on Illustration will give you new experience in looking at a book.

Mary Varnum:
