Kiss

What Leah did—only she really shouldn't have—one hot night at a country club party.

Crush

What Leah has—only she really shouldn't have—on the guy with the green eyes, the guy who is not her perfect boyfriend, the guy who does not fit in her picture-perfect life, the guy her sisters will only mock and her mother will never approve of. Not in a million years.

Collide

What happens when everything you always thought you wanted—having cool friends, being class valedictorian and homecoming queen—runs smack into everything it turns out you really do want.

Kiss. Crush. Collide.

For Leah and Porter, summer is only the beginning.
