Last Resort: Marriage

Pamela Stone

Last Resort: Marriage Pamela Stone

Desperate times call for...a quickie wedding!

And desperation is the only reason Charlotte Harrington would even consider marrying local playboy Aaron Brody. Even if he is the most irresistible man she's ever laid eyes on.

Charlie's proposition could be a win-win for both of them. Aaron keeps his charter business afloat and the gorgeous, cool-as-ice hotel heiress keeps her grandfather from selling her hotel out from under her. Besides, it's temporary.

Isn't it?

It was supposed to be strictly a business arrangement. Falling in love with her husband wasn't part of the deal. So when the time comes, will Charlie be able to just shake hands with Aaron and part ways forever?

From reader reviews:

Sonja Johnson:

Book is written, printed, or highlighted for everything. You can understand everything you want by a book. Book has a different type. As it is known to us that book is important matter to bring us around the world. Close to that you can your reading skill was fluently. A e-book Last Resort: Marriage will make you to become smarter. You can feel considerably more confidence if you can know about every thing. But some of you think in which open or reading a new book make you bored. It is not make you fun. Why they may be thought like that? Have you in search of best book or acceptable book with you?

Steve Teegarden:

What do you think about book? It is just for students as they are still students or that for all people in the world, exactly what the best subject for that? Only you can be answered for that query above. Every person has several personality and hobby for each other. Don't to be compelled someone or something that they don't desire do that. You must know how great along with important the book Last Resort: Marriage. All type of book can you see on many solutions. You can look for the internet methods or other social media.

Clifford Hudgins:

Don't be worry for anyone who is afraid that this book may filled the space in your house, you may have it in e-book approach, more simple and reachable. This particular Last Resort: Marriage can give you a lot of good friends because by you considering this one book you have thing that they don't and make an individual more like an interesting person. This particular book can be one of one step for you to get success. This book offer you information that might be your friend doesn't realize, by knowing more than different make you to be great people. So , why hesitate? Let's have Last Resort: Marriage.

Thomas Smith:

What is your hobby? Have you heard in which question when you got students? We believe that that issue was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. And also you know that little person like reading or as reading through become their hobby. You must know that reading is very important as well as book as to be the issue. Book is important thing to provide you knowledge, except your teacher or lecturer. You discover good news or update with regards to something by book. Many kinds of books that can you decide to try be your object. One of them is actually Last Resort: Marriage.
