Practicing a Course in Miracles: A translation of the Workbook in plain language and with mentoring notes (Plain Language a Course in Miracles) Elizabeth A. Cronkhite

In the mid-1970s, A Course in Miracles was published. It is a self-study course designed to help you undo your conscious and unconscious beliefs that you are separate from God, so that you can return to your natural State of Boundless Love, Peace, and Joy. Since then, it has become the 'Holy Book' of millions of people worldwide who have experienced a loving transformation to a more peaceful experience. Practicing A Course in Miracles and The Way of A Course in Miracles are practical companions to The Message of A Course in Miracles, the first volume of the Plain Language A Course in Miracles. Where MACIM lays out the theoretical foundation of the Course, PACIM provides a year of practical lessons to transform your experience to peace, and WACIM provides answers to common questions. These volumes also contain mentoring notes from the translator, a student and teacher of the Course since 1984. Together, these books offer a clear means for attaining lasting inner peace.
