The Bad Mother

Esther Walker

The Bad Mother Esther Walker

A hilariously honest, and rather sweary, book about parenting from the author of The Bad Cook.

From play dates to potty training, from weening to whining or whether to have two, or three, or more! Esther Walker focuses her unique humour on the art of parenting.

Fans of Esther's blog and journalism, or her bestselling Bad Cook book, will not be disappointed. This is every bit as funny, sweary and just plain honest as you would expect.

Esther offers up her occasional successes and many failures as examples to parents everywhere: look, this is what happens, you'll just have to deal with it!

Harassed mums and dads will read this and smile, as well as sighing with 'it isn't just me' relief.

From reader reviews:

Wayne Hause:

Nowadays reading books become more than want or need but also be a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book that improve your knowledge and information. The info you get based on what kind of publication you read, if you want attract knowledge just go with education books but if you want truly feel happy read one along with theme for entertaining such as comic or novel. The particular The Bad Mother is kind of reserve which is giving the reader unforeseen experience.

Tammi Rosado:

People live in this new time of lifestyle always aim to and must have the spare time or they will get lot of stress from both day to day life and work. So , whenever we ask do people have extra time, we will say absolutely without a doubt. People is human not only a robot. Then we inquire again, what kind of activity have you got when the spare time coming to you actually of course your answer may unlimited right. Then do you try this one, reading publications. It can be your alternative in spending your spare time, often the book you have read is usually The Bad Mother.

Mary Gilbert:

Many people spending their time period by playing outside with friends, fun activity having family or just watching TV the entire day. You can have new activity to spend your whole day by examining a book. Ugh, do you think reading a book can definitely hard because you have to use the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Smartphone. Like The Bad Mother which is obtaining the e-book version. So , try out this book? Let's see.

Sherry Francis:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book had been rare? Why so many concern for the book? But any kind of people feel that they enjoy regarding reading. Some people likes examining, not only science book but novel and The Bad Mother or others sources were given knowledge for you. After you know how the truly great a book, you feel would like to read more and more. Science reserve was created for teacher or students especially. Those books are helping them to put their knowledge. In additional case, beside science guide, any other book likes The Bad Mother to make your spare time far more colorful. Many types of book like this one.
