Country

Jasper Conran

Country Jasper Conran

Captivating the senses and the imagination, Country is a new kind of lifestyle book - it allows you to live the dream.

In Country, internationally-renowned designer Jasper Conran uses his own experiences and the landscapes and homes that are familiar to him to portray a seductive way of life. The allure of the countryside has a universal appeal. How do we achieve the dream? It is not about spending money, or prescribing to a certain style, it is about a personal sense of appreciation, self-expression and the wish to get back to the root of what makes us tick.

Moving from one season to the next, from interior to exterior, from detail to landscape, this book shows life as it is actually lived in the British countryside today. It is one man's vision that informs the reader by captivating the senses and the imagination. Beautifully conceived, beautifully photographed and beautifully written, Country is a new kind of lifestyle book - it allows you to live the dream. Country is realistic, full of ideas and completely engrossing - a book with which to spend time.

From reader reviews:

Yasmin Parker:

Book is written, printed, or outlined for everything. You can learn everything you want by a book. Book has a different type. As it is known to us that book is important issue to bring us around the world. Alongside that you can your reading expertise was fluently. A book Country will make you to end up being smarter. You can feel far more confidence if you can know about almost everything. But some of you think that will open or reading a book make you bored. It's not make you fun. Why they may be thought like that? Have you seeking best book or suitable book with you?

Timothy Brown:

Information is provisions for individuals to get better life, information presently can get by anyone at everywhere. The information can be a information or any news even a huge concern. What people must be consider any time those information which is within the former life are challenging be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you have the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take Country as the daily resource information.

Francis Knapp:

Reading a publication can be one of a lot of activity that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people enjoyed. First reading a reserve will give you a lot of new details. When you read a e-book you will get new information mainly because book is one of various ways to share the information as well as their idea. Second, looking at a book will make an individual more imaginative. When you examining a book especially tale fantasy book the author will bring you to imagine the story how the figures do it anything. Third, you are able to share your knowledge to others. When you read this Country, you could tells your family, friends along with soon about yours e-book. Your knowledge can inspire different ones, make them reading a publication.

Gary Games:

Reading a book to be new life style in this year; every people loves to examine a book. When you study a book you can get a lots of benefit. When you read publications, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. In order to get information about your examine, you can read education books, but if you want to entertain yourself look for a fiction books, such us novel, comics, and soon. The Country provide you with a new experience in looking at a book.
