Dispatches from the War Room: In the Trenches with Five Extraordinary Leaders Stanley B. Greenberg

The fascinating "war room" memoir of a political pollster and how he helped forge the agendas of five high-profile heads of state

As a hired gun strategist, Greenberg—a seasoned pollster and political consultant—has seen it all. In his memoir, he recounts his work with President Bill Clinton, British Prime Minister Tony Blair, Israeli Prime Minister Ehud Barak, Bolivian president Gonzalo Sanchez de Lozada, and South African president Nelson Mandela. Through his experiences aiding the leaders in pushing their visions for better and clearer domestic and international policies, Greenberg offers an insightful examination of leadership, democracy, and the bridge between candidate and constituency. This captivating tale of political battlegrounds provides an inside look at some of the greatest international leaders of our time from the man who stood directly beside them.
