**Stranger at the Wedding (Windrose Chronicles series) Barbara Hambly**

**After she has a premonition that her sister will die when she takes her marriage vows, a young wizard attempts to stop the wedding**

It's normal for a young girl to be jealous of her sister's impending wedding, and Kyra is jealous indeed. A plain looking young magic student whose incipient wizardly abilities have done nothing to attract the attentions of the boys of her town, she is not surprised to learn that her sister has caught the eye of one of the city's wealthiest merchants. But she is alarmed by some of the signs that are coming up in her prognostication lessons. Water turns to blood, the death card haunts her tarot practice, and finally she has a specific vision: that her sister will die the day she takes her vows.

Using every trick in her small magic arsenal, Kyra attempts to disrupt the wedding, going up against a force more powerful than any magic: an impatient bride.

This ebook features an illustrated biography of Barbara Hambly, including rare photos and never-before-seen documents from the author's personal collection.
