The Gospel in a Pluralist Society Lesslie Newbigin

How does the gospel relate to a pluralist society? What is the Christian message in a society marked by religious pluralism, ethnic diversity, and cultural relativism? Should Christians encountering today's pluralist society concentrate on evangelism or on dialogue? How does the prevailing climate of opinion affect, perhaps infect, Christians' faith?

These kinds of questions are addressed in this noteworthy book by Lesslie Newbigin. A highly respected Christian leader and ecumenical figure, Newbigin provides a brilliant analysis of contemporary (secular, humanist, pluralist) culture and suggests how Christians can more confidently affirm their faith in such a context.

While drawing from scholars such as Michael Polanyi, Alasdair MacIntyre, Hendrikus Berkhof, Walter Wink, and Robert Wuthnow, *The Gospel in a Pluralist Society* is suited not only to an academic readership. This heartfelt work by a missionary pastor and preacher also offers to Christian leaders and laypeople some thoughtful, helpful, and provocative reflections.
