### Die to Love Unmani Hyde

This book is for those who have been genuinely searching and longing for 'awakening' or 'the truth'. Die to Love directly points the reader to the end of the spiritual search once and for all. 'I am not trying to help you. If you read this book I will simply destroy you. And who am I? I am you. I am Life itself.' Die to Love explores the desperate longing for love and surrender that so many people feel. But are we willing to lose everything that is familiar and safe in order to know that love that we long for? Are we willing to die for love? This is the death, not of the body, but of the identity called 'me'. Unmani looks at what it is to fall in love and how in moments of intimacy there is no separation. Two merge and become one. Two separate individuals know that they can never be separate. There are also chapters on relationships and the madness of love as well as unconditional and conditional love, and what compassion really is.
