**No Limits (Space Cowboys)** Katherine Garbera

**Some cowboys are outta this world...**

Astronaut Jason "Ace" McCoy tried to escape Cole's Hill, Texas—and the memory of Molly Tanner's dark eyes and strawberry-scented hair—among the stars. Now he and Molly have jointly inherited her father's struggling ranch. And having failed his latest medical tests, Ace is on leave—maybe forever.

He's determined to sort things out with the ranch and get back to Houston as soon as possible. What he wasn't counting on is that Molly's only gotten more beautiful over the years...and she still wants him. The passion between them is hotter than rocket fuel—and just as dangerous. He can't promise anything as long as there's a chance to go on another mission. But even in orbit, this attraction has no rules...and no limits.
