*Fulfill all your cravings at our intimate adults-only resort on a secluded Caribbean island. It's lush, decadent and filled with treasures from around the world...some of which may be stolen.*

Artist Elle Monroe is looking for a painting that was taken from her, and she'll do anything to get it back. Little does she know how good "anything" will feel.... Or that she might end up on her back finding out.

Security head CIA Zane Edwards knows she's up to no good. But as he keeps her under surveillance, he learns there's something more to Elle than her criminal tendencies. Something that makes his blood burn, and her eyes dance.

Something that they can't fight for long.

And there's only one way to satisfy *this* craving....
