The Brokenhearted Amelia Kahaney

Perfect for fans of Marissa Meyer's The Lunar Chronicles and Marie Lu's Legend series, Amelia Kahaney's *The Brokenhearted* is a gorgeous, gritty, and imaginative take on the superhero story. Anthem Fleet, talented ballerina and heir to the Fleet fortune, has always been closely guarded by her parents in their penthouse apartment. Lured by the handsome and dangerous Gavin, Anthem is drawn into the dark and exhilarating world on the wrong side of town. But when the couple runs into trouble, Gavin goes missing and Anthem winds up dead . . . only to awaken in an underground lab with a bionic heart ticking in her chest. Now she can run faster, jump higher, fight better. But the only thing that matters to her is getting Gavin back. And when she uncovers the sinister truth behind those she trusted the most, she is determined to use her newfound powers for the ultimate revenge.

Set in the ruined fictional landscape of Bedlam, a Gotham-like city, this tale of heartbreak and revenge is both gripping and cinematic.
